

The Loudest Voice

Key – G

Music and Words by Kurtis Parks & Daniel Doss

Verse 1

G **D** **Em** **C**
I'm surrounded every day by a thousand voices
G **D** **Em** **C**
They all tell me who I am, what they think that I should do
G **D** **Em** **C**
I don't want to get swept away in the useless noises
G **D** **Em** **C**
I've grown weary of this world talking over You.
G/B **C** **D**
So I'm leaning into You,

Chorus

G **D** **Em** **C**
Let Your whisper be the loudest voice I hear
G **D** **Em** **C**
Let Your spirit be the sound that draws me near
G **D** **Em** **C**
Let the words that spoke the light transform and shape my life
G **D** **Em** **C** **G**
Let the song You sing echo in my ear. Lord, be the loudest voice I hear

Verse 2

G **D** **Em** **C**
You are speaking into me, tune my heart to listen
G **D** **Em** **C**
Help me find the Quiet place, where I tremble without fear
G **D** **Em** **C**
In the chaos of these days, I will seek the stillness
G **D** **Em** **C**
Let Your presence pour out peace in the atmosphere.
G/B **C** **D**
So I'm leaning into You,

Bridge

Em **C**
From the city streets to the mountaintop, Your voice goes on Your word won't stop
G **D**
You will not go silent, You are calling to Your own
Em **C**
You see my heart, You call my name, come flood my dreams, invade my space
G **D**
You will not go silent, You are longing to be known
